## **PUBLIC NOTICE**

### **CRYSTAL SPRINGS ROAD CLOSURE 9:00 A.M. - 4:00 P.M. MARCH 11 to APRIL 10**

This notice is to advise you of construction work planned for your area. The City will begin construction of a new sewer main on Crystal Springs Road near the Junipero Serra County Park beginning March 11, 2009. The purpose of the new sewer main is to provide a more reliable gravity sewer system for the Crystal Springs Terrace Apartments. The duration of this work will be approximately 4 weeks depending on weather conditions.

Due to the narrow width of the roadway, the section of Crystal Springs Road between the San Bruno Senior Center and Piedmont Avenue will be closed to through traffic during construction from 9:00 a.m. to 4:00 p.m. (see detour map on reverse page). Local residents will be able to enter or exit their driveways at any given time.

Residents of the Crystal Springs Terrace Apartments and upper Crystal Springs Road are advised to use only Crestmoor Drive between the hours of 9:00 a.m. to 4:00 pm, Monday through Friday.

During construction, you may experience some equipment noise, additional dust, or traffic delays that may be an inconvenience to you. It is our intention to keep any impact to local residents during construction to a minimum.

Your patience and cooperation is greatly appreciated. If you have any questions, please contact the City's Public Works Department at 616-7065.
